Die Middelandse Motorklub, Graaff-Reinet

- Nuusbrief - Junie 2015 -

Terugrapport: Wel - as julle vir die Milligan Rally wag - hy verby. Vir ten minste tien jaar, rekena hulle. Was hier in 1986, toe weer in 2003, en nou in 2015. So - haal uit jou som-pompie en werk uit vir jousef wat jou kans is om dit weer in jou leeftyd hier op jou drumpel te sien afspeel. Was eintlik 'n skouspel van groter formaat as wat ons plaasjapies kan ver wag, hier op ons voorstoep.

Vir ons wat nou al van toeka se dae (1975?) opgemix was met hierdie besigheid, was dit 'n aardigheid om weer die tafereel te sien afspeel. Besonder andoenlik was om die gesigte van die ingepiekelde Milliganiete weer te sien - Pat en Alf Dold. Ignus en Marie Buchner, Danie en Gwen Gerber, Neville en Susan Koch, Barney Marais en Pierre Woeke. Om nie praat van Trevor Hoole en Pieter Fulton wat nog gereeld op ons horison verskyn nie. Ai, waar is die dae! Maar daar was ook 'n weemoedige oomblik toe mens dink aan al die groot geeste wat geroep is na die Groot Werkwinkel. Manne soos Oom Piet Prok, Hector Battaliou, Stan Lemmer, Max Osborne, Waldie Geyenstein, Richard Horne, Oom Liefie en Simon Bosch - die lys gaan aan en aan. My ou drywer, Socrates Frank, die Griek van die Gem. En Wendy se held, Jack Acutt, wat sy dubbelbed vir ons afgestaan het. Nie vergetende Cyril Richmond, die Mahaffey's - daar gaan ons alweer.....

Vir die van julle wat nog nie die boodskap gekry het nie - hierdie Milligan besigheid is 'n grootse ding in ons ou lewetjies, was selfs ons wittebrood. Dan, op vier maande oud, was ons eersgeborene saamgesleep, vasgegordel op die agtersitplek van die '40 Chev.....met 'n kies vol lollie-pop. Vir vyftien jaar, elke jaar - tot ons nou op Graawenet uitgepoel het. Maar ons gaan hom weer aanvat, gee net kans.....
